Decision Record

The meeting started at 6 30 PM by Zoom.

1. As of this meeting we were still under strict Covid rules but hopefully things will open up somewhat in the near future. Once we can open the patio and the clubhouse to more than washroom use, we will of course set up things as per our government's guidelines, such as 4 person tables etc. We are very pleased with the way people are keeping their distance at the club for the most part and we thank those that are making the effort. Members may pick up their food allotment cards/numbers at the kitchen. Any remaining balances from last year will be carried over to this summer as well.
2. The downstairs Men's and women's bathrooms will be available this summer to help with congestion however both locker rooms will still be closed for the foreseeable future.
3. Club storage will also be available very soon however there will be no club cleaning offered to reduce the chance of contact as much as possible.
4. We certainly realize the frustration members are experiencing with some allotted tee times from our lottery system. This is a direct result of Covid as all courses are experiencing the same issues with the number of rounds increasing

dramatically, from private, public and semi-private clubs. Unfortunately, everyone will receive a time that is not satisfactory at some point this summer. We again request your patience with this as we are all in the same boat with this issue.

5. We would like to congratulate Ellis Kinnaird who shot 62 last week from the blue tees that is our new course record. Well done Ellis that is an incredible round of golf!

Our next meeting is scheduled for July 7th, 2021.
