Decision Record

The meeting started at 6 PM by Zoom.

1. Bill Hudson has informed the Board that after 31years as the Club's Greens Superintendent he will be stepping down from the position effective December 31, 2022. The Board is pleased to announce that effective January 1, 2023, Kyle Hudson will assume the position of Greens Superintendent and that Bill Hudson will assume a new role as Greens Advisor. In his new reduced role, Bill will report to and support Kyle in his new position.
2. The clubhouse renovations have almost been completed and the remaining minor additions should be finished by the time that the cub is open for play.
3. Please refer to the email sent out about registering with the new tee reservation system. Everyone needs an individual email address, and they can then set up their password. We encourage members to try out the new system as soon as they can before we go live once the course has opened.
4. We are now able to host events in the clubhouse again so if anyone is interested in planning an event, please contact Dan for all the details.
