

Food and Beverage Services During Covid-19

Note that this Protocol is a dynamic document and will change as new regulations and directives from the Government of Ontario and public health officials are issued or amended.

It is posted on the Club's website.

You are expected to comply with the procedures in this protocol. Failure to do so puts you and others at risk and will result in you being asked to immediately leave the premises. It also risks the closure of the facility.

As mandated by local health authorities, customers entering the clubhouse must wear a facemask. If you do not have a mask you can purchase one from the pro shop for \$1.00.
