

4 Ball Better Ball ...September 15, 2019

Thank you again to Gayle Stanley for hosting the Stanley Sanitation 4 Ball better ball. Forty-eight ladies participated this year. As well as the better ball scores there were prizes for closest to the pin in each class, landing closest to Oscar on the first hole and a prize for chipping marshmallows into a garbage can (you earned ballots for a draw by participating or successfully chipping the marshmallow) This seemed to be a popular event.
