**Congratulations to Ken Zubricki for his senior club championship win by one shot. Playing in the same group, Bill Bennett made it very interesting right up till the last putt was sank. Ken will now represent Mississippi at the OVGA Tournament of Champions event in September.**

**That was an interesting two days. Saturday started off nice but then it turned really ugly. Thunderstorms, torrential rain, hail and unsafe conditions forced the cancellation of play for the day. As all groups had got at least 9 holes in, the decision was made to use this score as a tie-breaker.**

**Saturday is a busy day and patience is required by all competitors. This can't be stressed enough – the results will be posted as soon as possible ... please bear with us as we go through this scoring situation.**

**Unfortunately, this day was compounded by the cancellation of Saturday's round and the uncertainty as how to proceed with the qualifying rounds. In the end, it was decided that the Fraser, Quattrocchi and Longpre events would use the best 1 of 2 rounds (already played) and Saturday's 9 hole score as a tie breaker. For the Ashley Brown and Senior Intersectional qualifying, it was be a best 1 of 2 rounds with Saturday's 9 hole score being used as a tie breaker.**

**Special thanks to Gary Hobin, Mike Clarkson and Dennis Beaudoin for the scorekeeping duties on Saturday.**

**Reg Plaster stepped up again this year and volunteered to look after the senior events. After his rounds of golf, he also had to look after the scoring for both senior events. He did a great job and also felt the pressure from players trying to find out if they made the Ashley Brown and/or the Senior Intersectional teams. He was assisted by Dave Hart, who once again joined the madness of the weekend situation – great job by all involved to get the scores and make sound and logical decisions about what to do and how to go forward.**

**Thanks also to Dan Kolar, Terry Kolar and Joey Irvin for their help in the Pro Shop.**
