

Ladies Member Guest 2026 Highlights

This year we welcomed 122 members and guests to our “Tropics” themed event. While the weather did not fully cooperate, our Ladies Executive was prepared with fun games for both on the course and in the clubhouse. Amidst a periodic misty, muggy and sunny day, and despite the forecast, we still had approximately 60 ladies who played a Scramble of 9 holes before the 3:30 afternoon rainfall. For those ladies who opted not to golf, alternate arrangements were made to come to the club mid afternoon to enjoy board/card games, an indoor golf game, and lots of time to chat and be merry.

Following golf, the tropically decorated clubhouse was filled with much cheer and laughter. A light snack of cheese and crackers was served while the five lowest gross winners were awarded. Those who lost their balls in creeks on #1, #5, #15, and #18 appreciated the replacements provided and were delighted when they could choose 4 previously loved balls. Raffle and golf game prizes were visibly plentiful on their respective tables. Each participant enjoyed a loot bag full of goodies and a Vodka gift.

Just prior to dinner the ladies had an opportunity to “strut their stuff” and show off their individual and team costumes. Thank you to our assistant pro and back-shop staff for making the difficult decision as to who would win. Lots of creativity on behalf of the ladies was noted!

A Hawaiian dinner of marinated chicken, pineapple, pepper and onion skewers, coconut jasmine rice, tropical salad and a mango mousse cake dessert was served. Thank you to Wendy and staff. After dinner, draws were made for forty raffle prizes purchased or generously donated by members and local merchants. Three Queen of Hearts winners were also drawn. The final gifts of the day were eight prizes of live ferns (from room decor) which were enthusiastically received.

A delightful day was enjoyed by everyone.
